EVALUATION

We evaluate learners from both the Senior and Junior Phase throughout the year. An exam is written every term in the Senior Phase. We emphasize the acquisition of skills and strive to present a holistic view of each child's academic performance.

Progress reports are given out every term in the Junior and Senior Primary Phase. These reports are followed by parent evenings during which you are able to discuss your child's progress with his /her educator.

At Veldenvlei Primary School we strive towards the developing of the child as a whole and not just as an academic learner. We strive towards a school as part of a system that consists of educational partnerships and networks. Our aim is to prepare the learner in such a way that he / she will be an asset to society and the environment.

WE STRIVE TO ACCOMMODATE THE NEEDS OF EVERY CHILD

ONS STREEF OM IN ELKE KIND SE BEHOEFTE TE VOORSIEN

The language teaching is based on a variety of themes which in turn incorporate the teaching of concepts and skills pertaining to holistic pre-school development.

In addition to an "informal" learning approach in the very early stages, the programme includes music, drama, singing, poetry, art, craft and channelled "learning through play" mediums.

Promotion into the main stream of a schooling system is dependent upon a child's language ability, academic achievement, age and maturity. It is possible for a child to spend more than one year in this class to attain an acceptable level of "school-readiness", provided the child's chronological age does not exceed the limits for entrance into the main stream.

REKENAARSENTRUM / COMPUTER CENTRE

Primêre Skool Veldenvlei spog met twee volledig toegeruste Rekenaarsentrums. Tans is daar 40 werkstasies in elke sentrum, almal gekoppel aan 'n netwerksisteem. Evaluering vind op 'n gereelde grondslag plaas en elke leerder kan op hierdie wyse op sy / haar persoonlike vlak werk.

Die volgende programme word aangebied:

STIMILUS MAKSIMA

- Reading Rocket Gr. 1 to Gr. 7;
- Maths Muncher Gr. 1 to Gr. 7.

Veldenvlei Primary School is leading the way in the field of education through technology. Only the best educational and curriculum related programmes have been acquired. All the classes from Grade R to Grade 7 visit the Centre regularly.

CHOIR / KOOR

Both choirs have various performances throughout the year, the highlight being the bi-annual Song Evening when neighbouring schools and a celebrity group or individual performers are invited.

SKAAK / CHESS

Since chess is also a learning process, pupils are encouraged to take part in this cultural activity. They are taken good care of by dedicated coaches and take part in various tournaments on both regional and provincial level.

Die klubdele groei elke jaar en spog telkens met 'n span waarmee deeglik rekening gehou moet word. Primêre Skool Veldenvlei het alreeds 'n paar formidabele kampioene opgelewer.

Persevere in faith and love.

We will be steadfast, firm and strong!

We will avoid to do things wrong!

Pure like the lilies that kiss our feet.

The symbol of our lives indeed.

Out on the Sportsfield and

Working at tasks.

Faith in yourself – and reach for the

Sky where the eagles fly –

Put your trust always in God.

Veldenvlei! Persevere in Faith!
